PROFESSIONAL SUMMARY

Aspiring **Product Designer and Frontend Developer** with hands-on experience designing user-centered interfaces and building responsive web applications. Skilled in UX research, wireframing, prototyping, HTML, CSS, JavaScript, Firebase, and Figma. Passionate about creating intuitive digital experiences that are both visually engaging and technically functional. Currently expanding expertise through the Google UX Design Professional Certificate while building practical UI/UX and frontend projects.

PROJECTS

A. MediAlert – Healthcare Communication Platform

Technologies: HTML, CSS, JavaScript, Firebase, Formspree

- Developed a responsive web application that enables users to submit requests for medical assistance.
- Designed and developed a clean, intuitive user interface to facilitate communication between users and administrators.
- Integrated Firebase Authentication for user sign-in and Formspree for form submission.
- Applied responsive web design principles to ensure accessibility across desktop and mobile devices.
- Currently improving the application's backend functionality and expanding its features.

Live Demo: <https://medi-alert-project.vercel.app/>

B. Goal-based Savings App

- Conducted user research to understand saving habits and financial challenges.
- Created personas, user journeys and user flows.
- Designed wireframes and high-fidelity prototypes in Figma.
- Designed features such as:
 - Flexible/Planned savings
 - Multiple savings goals
 - Percentage/fixed allocation
 - Savings reminders
- Applied user-centered design principles throughout the design process.

TECHNICAL SKILLS

Product Design: User Research, User Personas, Information Architecture, User Flows, Wireframing, Prototyping, Usability Testing, Design Thinking, User-Centered Design

Frontend Development: HTML5, CSS3, JavaScript, Responsive Web Design, Firebase Authentication, Formspree, Git, GitHub

Design & Development Tools: Figma, VS Code, GitHub, Canva.

Soft Skills: Analytical Thinking, Communication, Collaboration, Problem Solving, Attention to Detail.

CERTIFICATIONS

- **Google UX Design Professional Certificate (*In Progress*)** — Coursera
- **Product Design Bootcamp** — PDU | 2026
- **Frontend Development Certificate** — TechEdu | 2025

PROFESSIONAL EXPERIENCE

Mathematics Teacher

ISNO Education Center, Edo State, Nigeria. | 2026

- Taught Mathematics to junior secondary school students.
- Prepared lesson plans, class exercises and assessments.
- Simplified complex concepts using student-centered teaching approaches.
- Monitored students' academic progress and provided individualized support.

Industrial Training (Research/Laboratory Assistant)

Nigerian Institute for Oil Palm Research (NIFOR), Edo State, Nigeria. | 2022

- Supported data collection, documentation, and reporting for research projects.
- Maintained organized records of experimental processes and results.
- Assisted in preparing reports and summarizing findings

EDUCATION

- **University of Benin** | 2024
B.Sc. (Hons.) Plant Biology & Biotechnology — **2nd Class Hons (Upper Division)**
-
